“ *Brenda and Family:*

Timmy and Niecey were my neighbors down in Oakville for many years. We were like brothers and sisters. I didn't have any older brothers and Timmy acted like he was my older brother as he was Niecey's older brother. He would give us the hardest time and he was so strict on us. It was no surprise that he became a US Marine Sargent in the military. When he came home from basic training he taught us the proper way to make up a bed and if we didn't do it right he would make us do it again but this IS HOW I make the bed everyday. Timmy was a big jokster and stayed laughing. We had some good old country fun times back in the day. I talked to Timmy last year. I had no idea he was battling cancer. Until we meet again old friend, rest in peace and hug Niecey for me.
