“ *I always enjoyed Earls quick sence of humor; he always had a funny comment--about everything. He was a great hunting buddy and I truly enjoyed his company during our days together; he had the best chile, it was dark, and he liked it that way. He taught me a lot of common sence hunting ideas and even some I won't repeat in mixed company. Earl, here's to you, I miss you buddy--with great memories. :)*

“ Earl will be missed. He was a special friend of Special Olympics. To Sandy and Terri Lynn, my wife Sue and I send our love and prayers to you both. I was told by my older friends years ago that God picked his own flowers. He must have a very beautiful garden.

“ I am so sorry to hear of the loss of your husband Sandy. I didn't know him but I heard Sharon talk about all of you so fondly. I pray God helps you find peace in time, and that you pull from all the wonderful memories you have of him when your days are rough. Prayers.
