“ *My Mother, I think about and miss everyday. She is within my heart and soul. One day before she passed told me she loved me. I told her I remember you as beautiful Mom with a beautiful heart to others. My friends in school told me I was very lucky. They didn't have mother like yours due to mold was broken. I love you Mom and Hope Dad has found you by now.*

“ I love you and miss you very much. I know dad was waiting for you . I just wanted to say thank you for raising me and being my best friend. I wanted to let you know that since we were not a loud to speak at the funeral. Yeah I'm a little angry. I can see your face smiling and laughing at me. I love you and miss you everyday. Colleen
