“ Ed was a good friend of mine in the early 90's. We met through someone I used to work with. We shared a love of the guitar,jazz and rock music. We went to see Danny Gatton at the Birchmere in Alexandria Va. Much to my surprise,he got us backstage to meet Danny himself!! Ed was such a great musician, I felt that he could have been up on that stage. He was a good man. We reconnected about two months ago and he told me he loved me and to please come and catch up. I had not seen him since 1995. I've thought about him often over the years, and it was so good to hear his voice again. It was almost like we had never been apart. He sounded full of hope and optimism. Oh Jesus, my heart goes out to his family. What a gifted man. With love, Billy Woodall.
