“ Brenda ... I just saw the email on Eddie's passing. My deepest sympathy. I remember our times just sitting in your backyard yakking for hours or family get togethers with Pat and Ronnie. He was always upbeat and liked to tell jokes. (Gloria Della Washington)

“ I worked with "Ed" for a little over a year. But in that little bit of time he became a co-worker I looked forward to seeing each time. Ed and I worked at Phoenix Dental Lab together, and each morning he would come in we would say "hey Ed!". His response was always " hey hey hey!". He would always come with candy and ready to work. I always looked forward to seeing him everyday, because it wasn't everyday we got to see him. Very generous and nice person. I will miss him very much. My regards to you and your family.
