“ *Butchie came to my house a lot as a teenager. He was one of the sweetest and most respectful ones in the bunch. Loved to talk to him about the books he had read. Dean Koontz was his favorite. With fond memories,*

*Even though you are gone away, your love will always be here to stay. You touched our hearts with so many things. God knew you were the one to save. He took you home to get some rest, Even though we loved you best. Our hearts are filled with so much pain, God loved you more, there was no shame.*

*Rest in Peace
