“ Sweetie, I am so saddened to learn of Paul's passing. I know you know that I have always loved you and Paul. You and your family are in my heart and I think of you often. We have know each other for a life time but believe me, I'm not ready to give up any of those I love. Although I have not been able to see you often, I will miss not seeing you during my visits to So. Md. Remember, we may not have as much time as we need with those we love, but we'll always have our memories. I too have mine.

Our thoughts and prayers are with you and the family during this time of sorrow. Paul was a long time friend from when we lived a couple of “doors” from each other on Chapmans Landing Road in the 1940's.

“ One early evening I was walking by Sweetie and Paul's house to go babysit. There were two German shepherds and they came after me. I had been backing away from them and fell backwards over a wagon. The next thing I knew, Paul was behind me and picked me up and ran the dogs off. He was my hero. I have known him my whole life, and I will remember him with love. He has celebrated a lot of important things in mine and all of us (Weeks) kids lives. He will be missed. Sweetie, you and your family will be remembered in mine and Garry's prayers.
