“ Little League has lost one of the best. He will be missed. I will always remember Ed for his smile and his laugh. Working with him on the state level was great. Ed would call me once or twice a month to check up on how things were going for me. Even after he was ill he managed to get those phone calls in. He was a very special person! So very sorry for your loss.

“ I had the honor and pleasure of being a umpire and coach for Ed in District 7. Ed did so much for the young boys and girls throughout Charles and Prince George's County. He gave everything he had for these kids. He will be missed. Little League in Southern Maryland will never be the same

“ It was a pleasure seeing Ed at the annual MSUA clinics since I joined 4 years ago. I was grateful that he invited me to umpire for him when Waldorf hosted the Junior tournament.

I will miss, like many other great volunteers in the Little League community, Ed's kind words of advice and critique that have helped me greatly.

May God bless Ed's family as they get through this time.

Ed Took this picture...

Words can't describe the goodness this man had in his heart. I first met Ed about 4 years ago. He was passionate about Little League baseball, he loved Four County Little League? and loved MD District 2. He was the District Administrator for MD D7 and when we would go down to D7 to play, he always welcomed us with Open Arms. Untimely Loss...Ed, Thanks for your years of dedication. God Bless Ed and his family as he now gets to play the best game of all in heaven.

“ Uncle Eddie,

I am pretty sure I can count the times I got to spend with you one one hand. Although I didn't get to see you much, I can tell you that, in those few times we spent together, you left a huge imprint on my heart and in my life. I will always cherish our time together. I know that there are definitely a few memories that I won't ever forget, like us wandering off and you buying me that giant Spice Girls shirt, or the many times you spoiled Fran and I and said to us, "Don't tell your mom". Your lesson of, "It's a truck, it doesn't matter," was one that I have held on to all these years. It seems silly, but to me, it was more of a life lesson about things not being the be all end all.

People are what matter most, not material possessions.

I'm sorry that life always seemed to get in the way and Fran and I never made it out there to visit, like we always said we would. I can't tell you how much I regret that now. However, I am glad that you and Auntie Wendie were able to come to the house and spend some time with all of us. It is wonderful to have some recent memories of you to get through this sad time. I'm also really happy that you got to see all of my siblings' little ones. I will always strive to be as awesome of an aunt to them, as you were an uncle to me.

The love that radiated from you was inspiring and your fun lovingness and positive attitude were contagious. I can only hope to be like that some day.

You were such an amazing person and I am so lucky and proud to say you were my uncle.

Rest in Peace Uncle Eddie.

*Love,
Michelle*

“ You touched the lives of so many Little League families across Maryland and beyond. Your selfless dedication to Little League Baseball and Softball is simply unmatched. You handled your role as MD State Little League coordinator with grace, consideration, compassion, determination and fairness to all. You were the inspiration for many activities we routinely do today across Maryland. Lastly, the care, warmth and dedication you gave to our Maryland State Little League Umpires couldn't have been more amazing. Ed, we will miss you deeply, inside and outside of the lines, and will think of you often and forever. Rest in peace my friend.

“ I will always remember Ed for his constant kindness and willing to help EVERYONE! Ed gave much more than he ever received and I will always agree with one of his favorite quotes, "No good deed goes unpunished." There is no truer statement that I can think of and experienced during all my Little League years of service. Ed touched many more players lives than anyone will ever realize. He was a great friend and a true confidant that I will sorely miss. The world is a better place because of Ed...R.I.P
