“ *Aunt Frannie was always a happy, fun and loving aunt. I loved getting to check in with her each day in Sr. High. This is a picture taken from the 1979 Gwynn Park yearbook. I love this picture. The look on her face captures her enjoyment of the students and their daily antics. She supported and encouraged many, many students and me, too.*

“ *I am so sorry to hear that Frances has passed from this life to be with her husband, Jerry, and sisters, Betty & Josephine and her parents. I also went from 1st thru 12th grade in the old Surrattsville School with Frances, along with Marie & Harry and also Ann Johnson, Eleanor Winstead, Mary Roylance, Larry Schultz, Marie Anderson, Earl Roberts, Sammy Riley, to just name a few. I was honored to be a bridesmaids in her weddings. She was such a sweet, kind & very beautiful person.*

“ Francis and I (Marie) met in first grade at Surrattsville and went there until graduation in the same school building and were always good friends. Lake and I did some fun things together with Jerry and Francis and all five of our children; their three and our two. When we were building our house in Clinton all those years ago, Jerry helped us paint and do lots of other things. Lake and I went out together for fun evenings with Frances and Jerry on many occasions. We loved Frances and are very sadden about her passing and she will be greatly missed. She has wonderful children and we send our love to all of them. Marie and Lake Walton

I knew Jerry from the days when our Mothers use to push their new babies strollers to visit and he and I tagged along. I must have been about two YO. Frances and I met @ Suratts, in the 4th grade,when we moved back to Clinton. Jerry and I then met again when they married. Frances was ALWAYS one of my favorites . And I saw her develop into a most attractive and gracious woman. I wish i had seen her more often. You will be missed by many..... "tear".

I have known Frances since first grade. We traveled the same road in life from there through our graduation from Surrattsville School. We were never real close but I always admired her. May she rest in peace.

May all of Frances' children, grandchildren and great-grandchildren take comfort in knowing that she was one of the most gracious and lovely women I have ever known. She was always kind and thoughtful to me. May you be blessed in having her close these past years. Sue Rice, Surrattsville High School 1953 -56.
