“ *We first met Eleanore when she came into our copying and printing shop, we noticed she was coping the paper of Charles County. We told her we were from CC too and we became immediate friends for life. I found out through our many talks that we celebrated the same birthday! Just not the same year!!! We enjoyed sharing lunch on our birthday many times while in D.C. .many laughs and talks and she was one gutsy lady nothing scared her! I remember when her car broke down on the side of the road and I went to pick her up I asked her weren't you scared and she said no. When I heard she had past I thought of her saying I want to do this before I am planted! She was one beautiful Lady.*
