“ *I just heard about Jenny's passing, I knew she had been taken away by ambulance but kept waiting for her to return to her balcony and greet me when I was walking my dog. Loved her sense of humor and openness. She was always so kind to me. I will miss her and am deeply saddened by her loss. Cherie Reynolds*

You were a part of my life from the earliest years, my friend. I am thankful that you reached out to me just 2 months ago to share our journeys. May you rest in peace and your memory is a blessing for those who were touched by you.
