“ I have so many memories with Aunt Betty that it's hard to decide what to share. Back when I was young and Carolyn was having parties, I remember thinking how cool it was to have parents like Aunt Betty and Uncle Bob! Aunt Betty would sing and dance all the time. If there was music in the air, she would be seen be-bopping along. She was always there for me. She gave me a place to go on the weekends so I could have a somewhat normal teen life. I was fortunate enough to work with her for almost 20 years. Anyone who knew Betty at work loved her. We still have customers calling asking about her. She trained me in the business and to this day we still do things that way, lol. We carpooled for several years together. Those were some of my favorite times with her. She loved her country music and so do I. We'd sing along to the radio, and on several occasions stopped to check out the WMZQ van and deejays! I've been on several trips with her and treasure my memories of Italy. I even convinced her to ride a gondola in Venice, of which she was not happy doing! She was an amazing Aunt to me and I am so blessed to have had her in my life. See you in eternity sweet lady, I love you.
