“ *Bobby was one of the role models that led me to become a volunteer and later a career firefighter. I remember many days and nights that a crew of us young guys would be anxiously waiting at the firehouse for a driver to show up so we could respond to a call. Many, many times it was Bobby who would respond from home to drive us, tell us what to do when we got on the scene and keep us safe.*

Thank You and Rest In Peace my friend.

“ To David and Karen. YOUR DAD WAS ONE OF A KIND AND WILL TRULY BE MISSED!

I have so many good memories of him and the times he bailed me out on a date or two which makes me laugh. Hold on to the good memories and think of him up there in Heaven with the rest of our families. He lived a full life on his own terms, worked hard all his life and played hard, just like his Godfather (Uncle Roger but Dad to me). You are all in my prayers and thoughts. Love to all Renee
