“ *I knew Elsie from our time in a program we both were enrolled in at what is now CSM but back in the day ..Charles County Community College. She was a beautiful woman, a good classmate & we had many laughs as we studied together. It was a privilege to know her & share that time in our younger days!*

“ *Elsie and I were in high school together and even though in different grades were friends. In later years circumstances made us relatives in a way and I was always so glad to still be in touch with her. She was a joy to be around and we had lots of laughs. I will miss her.*
