

Elton Harvey Padgett

March 23, 1932 - February 24, 2016

Elton Harvey (Bubby) Padgett, age 83 of Lost River, WV, was called home to our Lord, February 24, 2016 at his residence surrounded by love.

Bubby was a HVAC/Electrical Engineer but there was nothing he couldn't do. He was an ace mechanic who built and raced cars. He held the D gas record at Aquasco Speedway and made it to the NHRA Drag Nationals, Racing with the likes of Tex Randall, Don Garlits and Robert Brown, earning many trophies before passing the reins of the sport to his sons. Bubby turned his interest in woodworking into beautiful furniture, cabinets and doll houses for friends and neighbors alike. He was known for his love of dogwood trees.

Having and raising six of his own children, he took on raising eight stepchildren treating them as his own. He was a strong family patriarch who passed wisdom down to his children. Teaching a lesson without harshness... always showing love. Bubby retired to his beloved home in West Virginia he built and enjoyed until the end... He was loved by many and will be missed so...

He was son of Harvey Elton Padgett and Martha Caroline Padgett. In addition to his father and mother, he was predeceased by his son Steven Wayne Padgett and daughter Stacy.

He is survived by his wife of 39 years, Francis Padgett; his first wife, Ruby Padgett; his children, Mike Padgett (Carol), Charlie Padgett (Teri), Carol Chaney (Rob), Gina McIntire (Mike), John Padgett (Kaye); his stepchildren, Tony (Lois), Ritchie Magruder (Cindy), Susie, Margie, Gina (Rob), Buddy and Krissy; his sister, Margaret Thompson; and numerous grandchildren, great grandchildren, nieces, nephews and a host of other relatives along with lifelong friends.

“ You are going to be sorely missed Uncle Bubby! However, I know my Dad is happy to see his baby brother! One of my fondest memories as a little girl was riding to Budds Creek racetrack with all my cousins to watch you and Wayne race the Booty Shaker. I still talk about those days. Those are the moments that build character in a person. I also know your spaghetti sauce was the bomb! You had a wonderful life and so many loving people to share it with you. No man can ask for more than that. I know you're standing tall with a smile from ear to ear. I'm glad you're at peace now and we'll see you again some day soon! Love you always and forever! “ *Pa, how appropriate your celebration of life be held on Stac birthday..I am so hurt that you are gone but reflecting on so many caring memories of you eases that hurt..like seeing the date of your services on Stac bday and recalling you and I in the ER with her in her 1st battle w/cancer..her lung had callapsed and in all the commotion you calmly reached over to cover her up and held her hand...it calmed her..I know you are still calming her as you have for us all so many times...I hope you know how much you will truly be missed Pa..I luv u*

“ I have so many memories of my POP. Him and my Dad are the biggest influences in my life. It always meant so much more when Pop gave his stamp of approval. I know I got on his nerves sometimes but I have no doubt he loved me and my kids. And we will always love you Pop.
