“ *I remember Aunt Emily as a very loving and wonderful person. I first met her when she married my mother's youngest brother "Uncle Tony". She surely is an angle in heaven now.*

“ *I have known Emily all of my life, she was a very good friend, then she married my Uncle Tony and became my Aunt, I will miss her. When I started to school, Emily & her sister Gladys watched over me as we walked a mile to school each morning to the little one room school in Nottingham, I have many memories of her over the years, as we attended many family functions, an her home as she got older and could not get around anymore. She will surely be missed*
