“ Frank you will be missed. We had many good times at Treasure Beach Camp Ground. You were always fun to do things with. We both loved cars and had many good times talking about them. I wish we would have had more time to cruise around . I'll miss you buddy.

“ Wilma, So sorry for loss of Frank. I will always remember him from the good old days at Treasure Beach. I am so glad you all were our neighbors or I would have never found the best friend I could have. I will always remember Frank sitting on the porch waiting for William to arrive with his mom when they were coming for the weekend. Frank was a special man. When I first saw him, he looked like and reminded me of my Dad. It seemed like when you all left TB and got that beautiful house in Bethany, it wasn't the same. Then everyone was leaving but we kept in touch.. The good Lord made sure of that. We have so much in common and I am so sad about Frank. Prayers to you and your family. I wanted to be there with you today. I sent you a separate email. Our thoughts and prayers are with you. Love Diane and Dave McLane

“ *Frank loved life, his Lord and his family. While somewhat brief in time, I got to know Frank on the most meaningful level, that is as a brother in Christ. Confident of the Lord's grace and the truthfulness of His Word, I am certain Frank will be having the best Christmas of his life-with the Lord, in heaven. I pray this is a great sense of joy to his friends and family as we all mourn his loss. We pray for the comfort of Frank's family during this special time of year. Mike (and Margo) Clark*
