“ *To my sister, WeWe as I created your obituary I remembered all the things you and I loved as children, the great things growing up. The worst day of my life was the last day of yours. You brought joy and happiness from the moment of your birth, now in Heaven you're an Angel just as you were on Earth
I will miss you but never forget your words of wisdom "Don't worry about it, it'll be okay "
Love your sister Blanche*

“ I have known Wee Wee for overly sixty plus years. Everytime you saw her she always had such a beautiful smile. Her Mom and my Mom were best Friends and we lived across the Field from one another. I enjoyed seeing her and Pat come into Walmart every Saturday when I was working there. She will truly be missed. Praying for the Family at this difficult time.

“ Aunt Weewee was a true angel. Her angelic smile just made you smile. She always wanted to know how my daughter and grand children were doing. If you asked how she was her answer was always "I'm fine." May you rest in heavenly peace. Love you always my sweet Auntie.
