“ *Nora and family,
I am sorry for your loss and will pray for you and the family. It's been a long time since I've seen any of you. My parents have passed as well but I remember the memories with your loving mom Ester and her husband Ted. She was a sweet lady and I remember her helping us out with teenage issues by convincing my mom that it was ok for us to go out now and then and that this was the way of life.*

I also remember when you baby sat us and introducing me to Motown music. Thanks. I pray that God will hold you and your family close at this time.

*Much love and blessings to you,
Susie (Pigarut) Dickerson*
