“ My favorite moment this summer was my staycation with Lynn and getting to meet Mom. She had a twinkle in her eye was funny with lots of sass. I wish I had gotten to spend more time with her to listen to more of her stories. Who ever wrote her obituary did a beautiful job. I would have loved to hear more about all the things she had done. I know that she is with her love and that Pops and her are together hopefully will give all her loved ones some peace.
