“ *Eunice was a devoted daughter, sister, wife, mother, grandmother, great-grandmother and great-great grandmother. She was a wonderful person whose love for her family was surpassed only by her faith and belief in God and her devotion to Jesus as her personal savior and witnessing this belief to those whom she came in contact with. She was influential in shaping my belief in the power of prayer as a daily exercise to maintain a constant connection to the Divine. My sincerest and deepest condolences go out to her children, as well as to every member of her family and friends. I wish everyone peace, comfort, courage, and love at this time of sorrow.*
