“ *Mrs, Eva Coffman was the principal who trained me as an administrative intern at Matula Elementary to be a leader years ago. She demonstrated the highest professionalism and honesty, with love for everyone, she was around. May the family continue this earthly life knowing that her dedication to education continues through others! God bless each of you. Thanks for sharing Eva with my life!!!*

“ *Mrs. Coffman was a beautiful lady inside and out. I came to "work with her" as she would say, as a teacher in 1989. She was a role model, friend, and mentor. I worked with her at Mudd for three years, then moved to Jennifer. In 1992 I changed schools so that I could work with her again at Matula. I remember Gene would always come to the school just so he could spend time with her! I will never forget her! I pray that she is smiling as usual and enjoying life in heaven!*

“ *Gene,  
You and Eva were such a wonderful team! I know your days will be long without her by your side...know that she was loved and admired by many! As we taught together at Dr. Mudd and then she became principal, I always loved working "with" her, not "for" her...she was an amazing teacher and administrator. Our thoughts and prayers are with you and your family. Muriel Werking*

“ I remember Eva as being kind, smart, witty, and had a passion for her profession. I knew her as a principal and then in my position as assistant to Ron Cunningham. She was well liked by everyone and I always appreciated her total respect for everyone with whom she interacted. I'm sure she will be missed by her husband, family and friends. My sincere condolences to you all. Chris Mais, Charles County Public Schools.
