“ I am one of her Grand Children. The son of Brenda Beatty. Omitted from the obituary I was the child that wasn't supposed to be. I love and miss my Mom but Evelyn can rot in hell.

“ So sorry to learn of her passing. Her daughter, Helen and I were high school friends and I recall going to her and Mac's on weekends when Mac would go crabbing and several friends would gather for a crab feast. She could make the best crab salad of anyone I knew. My condolences to her family and friends. May she R.I.P.
