

Evelyn Ann Reynolds

June 9, 1956 - January 5, 2022

Evelyn Ann Reynolds, age 65, of Lanham, MD, passed away on January 5, 2022 at Doctor's Community Hospital in Lanham, MD.

Evelyn was born on June 9, 1956 and was daughter of the late Theodore "Mike" Levesque and Evelyn (Glascoe) Levesque.

Evelyn was a Retired Teacher's Assistant with the Prince George's County Public School System and a longtime member of the Fellowship Baptist Church, where she served for many years on the Hospitality Team. For many years, she also played hand bells for the church music program. She also had a huge love of reading and watching her favorite programs on the Hallmark Channel.

Prior to working for Prince George's County Public Schools, Evelyn spent the earlier years of her children's lives at home, taking care of her own children and babysitting other people's children. Evelyn took great pride in being home to care for her daughters as they grew up. She loved to be there for her children and, later, her grandchildren; spending time with them is what brought her the most joy. Evelyn had a huge love for Jesus and she made sure her children grew up in the church.

In addition to her mother, Evelyn (Glascoe) Levesque, Evelyn is survived by

her husband, Gary R. Reynolds; two daughters, Tracy Williams and Cheryl Reynolds; son-in-law, Markus Williams; and five grandchildren, Cody Reynolds, Christopher Williams, Emily Williams, Jayden Littlejohn, and Jaylah Littlejohn.

“ *I first met Evelyn when she was babysitting for Cody. I worked as a physical therapist who worked with Cody as an infant. Evelyn was a wonderful fun grandmother to work with. She always had a smile on her face and a chuckle at the funny things Cody did! I was later surprised when she entered my life again when she worked as a teaching assistant at Chapel Forge where I worked out of. She was the same hardworking woman I knew from before.*

My thoughts and prayers are with her family and friends. I know you have tons of beautiful memories of her and are missing her very much.

I also met Evelyn during my years as a physical therapist working at Hoyer for the Infants and Toddlers Program. We shared an office and she often pointed me in the right direction for forms or which room I was testing in for the day. She was always so kind and helpful to her coworkers and the numerous families she greeted. We loved hearing all her loving stories about the grandchildren she obviously adored so much. She was already greatly missed from our program and will be in our hearts forever! Prayers for the family. Wendy Harrell
