“ *My fondest memories involve Uncle Ben and Aunt Florine (my daddy's sister) and the wonderful summer bbq's on Spa Road. Bushels of crabs, fish ,and every kind of salad known to man. Kids and adults filling the yard til the mosquitoes drove you indoors where the adults would play cards and the kids would fall asleep to the ancient tv. No remote you switched the channels by hand. Miss you and love you. May you rest in peace.*

I'm truly saddened to hear of Florine's demise. I'm a tax preparer and I just came up for air last week. I was reading through the last three weeks of local papers and made the discovery. Ms. Florine was one of my mother's last true friends at Victoria Place. My mother was the late Christine Savoy who passed on 12/26/09. Mothers share a special place in all our hearts but we also have our memories that will never cease. I remember picking up both of them on several occasions just to dart them to the store for a few items (yeah right). Ms. Florine has also visited my home just around the corner from where they lived. I also share a memory of an outing we had with Ms. Florine at the Botanic Gardens. The day was just as tranquil as the gardens were. The gardens were breathe taking per Florine. We had a picnic lunch with her that day. I know that your mother is with Jehovah now and our pain for our mothers will diminish with time, but they are both in a better place. If I can be of service to you please contact me at ckeltonc@aol.com. God Bless!

Respectfully submitted, Cecelia "CC" Kelton.
