“ *Frances was one of the kindest and caring people I've ever known and a true friend. She was also one of the toughest people I've ever known. She was a faithful servant to the end and even through her failing health she always thought of others before herself. Rest easy in heaven Frances. You will be missed.*

*Death leaves a void nothing can fill and love leaves an impact nothing can steal. Sister Frances was well loved by her church family. She was one who supported and attended with a zealous passion to advance the kingdom of our Savior. In life we loved her dearly, in death we do the same.*

*Take your rest sister Frances. Safe in the arms of Jesus.*

*Sorrowfully,*
