“ June,
My deepest sympathy and sincere condolences go out to you and your family.
At times like this I always recall Queen Elizabeth's famous quote, "Grief is the price we pay for love". I know that is so true. Please try to ease your grief by remembering Frank is now at peace and not suffering the rigors of pain he has experienced for so long. Also, pride yourself in having been a devoted and caring wife who has assisted and comforted him throughout his times of need.
I am sorry I could not be there with you today, but I was definitely there in spirit.
My heart goes out to you.

Love,
