“ CELEBRATION OF LIFE

Hambone, I am going to remember you the way you were at my birthday party, with a big smile on your face. If I am not able to make it your home going services my heart and spirit will be there. To our father in heaven I want to thank you for your son hambone, now heavenly father take him home where you have prepared a place for him. May God open the gates of heaven for you, In Jesus Name I pray. God saw you were getting tired and a cure was not to be as he wrapped you in his loving arms and whispered "Come With Me " you suffered much in silence his spirit did not bend, you faced this pain with courage until the very end. You tired so hard to stay with your family and friends but your fight was not in vain God took you to his loving home and freed you from the pain. Hambone, I will always remember how you greeted me when you saw me with a smile so filled with love, rest in paradise my brother in Jesus Name I pray.

*Love your sister,
