“ I have known Mr. Reynolds since I was in school at Archbishop Neal in the early 1970s. One of my earliest memories was walking over to Glasva Shell after Little League practice with Ronnie. Mr. Reynolds was always there and always smiling. Over the years we would hang out at the "the station" on different occasions. Even though I am sure we were often in his way, he never had an unkind word to say and always treated us like family. Mr. Reynolds was one of a kind and I will always have great memories of him and his great family.

“ *Patty and the Reynolds Family,  
I was saddened to hear of your Dad's passing, but what a wonderful gift to have had such a great man as your dad for so long. I remember first meeting him at Simpson's Store when I was a little girl and I was always drawn to him because he simply radiated JOY and always had a smile and a kind word. He was special indeed. So sorry for your loss, but I hope he is up there telling tales with my dad! Prayers are with all of you...*

“ To the Reynolds,

*Other than my Dad, Lee was my first employer. During the time I work for Lee at Glasva Shell, he showed me kindest, respect, trustworthy and I gave it back to him, that why we became friends. I would always look for Lee and his family at the church dinners because I wanted to see Lee greeted me with that big smile and laughter. Lee could brighten up anyone day. I had a lot of good time with Lee, I will miss him. My prayers are with the Reynolds family.*
