“ *I had the pleasure of serving with Frank for five years (1970-1975) as Commander, 104th Maintenance Co, DCARNG. Frank was our unit Mess Sergeant and a highly competent one, at that. Frank cared very much about his team doing their jobs in supporting the unit correctly. And his team always did. When things did not go as planned, Frank always took the reins and got things back on track, after a shake of his head together with his way of laughing. He will be missed very much by family and friends, for sure. May God bless Frank Cicala. Richard E. Garlick, LTC, US Army/ARNG ret.*
