“ So sad to see this - . I wish I had known earlier so I could’ve come to the services. Your dad was good friends with my parents. More-so my dad Neal Wang. We grew up in Pinefield too. I have good memories of your dad coming over to hang out in the garage with him and their days playing softball together. We would see him often at blue crabs games as well and he would always be so happy to see us and excited to hear about what we were up to. I’m so sorry for your loss.
