“ *Gary, we had some great times early in our young lives. You were a true gentleman and a great friend. I only wished that our contact would have been more. I would have loved to ride out together on our Harley's. U rest in peace and I'll see u in our next life.*

Thank you so much, yes people just don't get together anymore except at weddings and funerals, it's sad

You were stubborn and hard headed but I know you loved me as I will always love you! When we meet again we will talk about all our wonderful moments and why we missed out on many more!

Terry Beale - March 20, 2019 at 06:41 PM

I remember Gary fondly. He was very athletic! He could walk across the gym at Eugene Burroughs Junior Highschool on his hands. Then he helped me learn how to do too!

“ Some one best times in my life was growing up with Gary
We played football frisbee and baseball
In the seventies we were at fort Washington park every Sunday
we'd all gather in the back cook picnic party and just enjoy life to the
fullest
Gary was the guy that made you laugh and have fun and we always
had fun
But I'm sure going to miss you bro and we ran into to one another
again about 5 years ago I learned that the world we live in is so
small. Because he lived across the street from my aunt and uncle
who thought the world of him and Terry they always helped them
and always looked out for them
Imagine I had never noticed them before when I'd be at their house
I guess that's what I mean about Gary as we were growing up he
helped me taught me how to fix and make my cars fast , he was
always there if I needed
him
Thank you for being a great friend
I'll miss you
Rest In Peace 🙏
