“ I know that it has been so many years since our childhood, but I always had such a great time knowing and growing up with Gary. Being a few years older than me, I always learned new things and explored new ideas with him. I am sorry that we lost touch with each other these last few years. Thankfully, Beverly and I would talk on occasion and I hear news of him. To Harold, Barbara, Beverly, Alan, and Mark, I am so sorry to hear of your loss. Sincerely, Gabe

To all my extended family, you have my deepest sympathy in the loss of a son, brother, husband, and father. Although I was too young to really get to know Gary when I was growing up in Maryland I have memories of him nonetheless. I particularly remember the time he came to WV to visit our Mammaw and he came to our home with David to visit. Gary and David (I believe he was about 3-5 years old?) were sitting in the swing on my mother's porch and David enjoyed swinging back and forth. And Gary's love of horses-when I visited Uncle Harold and Aunt Barb back in the mid 80's in their newly constructed home we watched Gary out at the barn with the horses. I can remember just watching him and thinking how brave he was to be so close to that horse! With just a few memories shared, may you all find comfort in the knowledge that he no longer has worries or suffering. Hold close and cherish his memory. With my warmest regards and love, Sharon Knuckles-Bostic, cousin
