“ *My thoughts and prayers go out to family and extended family of my good friend, high school buddy and fellow Maryland State Trooper Gary E. Morgan. We both started together delivering the Cumberland Newspapers, attending Beall High School in Frostburg, Maryland and eventually proud members of the Maryland State Police. Both were assigned to the Waldorf Barrack immediately after graduation from the Police Academy. Charles County became our extended family in many ways.*

Gary was a great person and well liked by so many people that he met whether growing up in Frostburg, in southern Maryland or throughout his travels.

My special thoughts and prayers to his daughter Kelly and son Wade, who Gary loved and very proud of
