“ I was so saddened to learn of Gary's passing. Hard to believe so many years have gone by since High School, well Junior High too. It seems whenever you thought of one Weightman man you thought of the other. You are with the Angels now and your dad HTTR. Having known your dad pretty recently I saw and heard the pride in his voice when he spoke of you. Both of you were so wonderful to your dad in a situation that wasn't the best, but I saw you guys regularly at Charlotte Hall. No better sons to a dad than you two. I will always remember you as the outgoing Weightman and Randy the quiet one:
My prayers and deepest condolences Randy to you and your family and to Heather. 🙏🕊️

“ Dearest Gary,

I have been so thankful to have had you as my best friend and brother. Being a twin is a bond that most people don't understand, but I knew that I could always count on you to have my back no matter what the situation might be. I've told you this, but I want to Thank You for all those times that you were there for me and my family over the years.

This past year has tested our bond with many ups and downs, and you have endured so much with all your treatments and losses, but I feel so blessed to have been able to spend all that precious time with you. I will always remember March 7, 2024, 10:09 pm as the last time we were together on this earth, but in my heart, I know that you are in a better place free of pain and in the arms of Jesus. I feel sure that our family and friends gone before you are waiting in heaven with open arms.

You will live within me every day and I will love you forever. Until we are together again.

Your loving brother,

Randy (Spanky/"Call You Back")

“ Richard and i lost a friend when the Angels came to get you. We will always remember all the good memories we made together. You and Richard going on your golfing trips, going out to dinners, going to your cabin in WV and helping Richard and i shopping at Walmart for all the household items we needed when we moved to FL. I gave you and Richard a list and a cart and said go at it. to my surprise you two did very well with getting all the items on the list. Thanks for being a good listener when i needed to vent to someone. And most of all thanks for being our true friend. Our hearts are sad and you will be missed but never forgotten.

To this day never in my life I've never had so much fun playing golf! , and we all know it was bc of Gary! If he lost he would buy and new club or balls or something so he could win, and when he won you knew it!!! Haha!! May you rest in peace Gary and I know if there is a course in heaven, Gary will do anything to beat whoever he's playing!! Miss you my friend!!
