“ *Eileen, so sorry to hear about your Mom's passing. Although I never met her, she sounds like an amazing woman who really took life by the horns! She met challenges, took advantage of opportunities and led an inspiring life. I know from experience that the loss of a Mother is a hard thing to go through, but her legacy lives on in her amazing creation – you! She is a part of you and your children and their children. Thank you for sharing this lovely obituary and honoring her memory in such a delightful way. Keeping you and your family in prayer, Robin*
