“ I have known George since 1961..62. I was 12 or 13. Remember him at the pool at Dr. Johnson's house. Eating lunch at the pool with Kathy , Delores and Jule. Even through I was Delores baby sister he never treated me like I was the little kid. Years later, setting at the Shenandoah river I thanked him for that. We laughed together as I asked him to please start treating me like I was young again. Him and Jule are now both with Jesus now. I am truly blessed to have known both of these wonderful men.

“ The Officers and Members of the Southwest Washington Alumni Association will remember George as a life long friend. He was a very strong contributor to our Club and a good friend to all of us. Most of us knew George from our years growing up in Southwest Washington. We played together; in the Sea Scouts, the Friars Club, went to school together, Greenleaf. St. Dominic,s, Jeff and Anacostia High, and several were on the Fire Department with him. He was just an all around great guy and will be greatly missed by us all. Our prayers and thoughts are him and his family.
