“ Oh my darling, I miss you so.
How I loved you, you'll never know.
Though it's time for me to let you go.
Oh my darling, I'll miss you so.
Can't believe you're really gone for good.
I still hold on to places you once stood.
I should move on, but I never could,
Really believe you're gone for good.
Oh my friend, what could I do?
I just came home to bury you.
The road is long, the road is rough.
You're in my heart, that's not close enough.
All those years, disappear
All my tears, are not enough, not enough.
How can it be the ties that bind,
Cut down deep and are so unkind?
When we lose them we will never find,
Anything stronger than the ties that bind.
I still have your memory.
One or two pictures of you and me.
Life is long and life is tough,
But when you love someone,
Life is not long enough.

“ I will not make
The same mistakes that you did
I will not let myself
Cause my heart so much misery
I will not break
The way you did, you fell so hard
I've learned the hard way
To never let it get that far
Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid
I lose my way
And it's not too long before you point it out
I cannot cry
Because I know that's weakness in your eyes
I'm forced to fake
A smile, a laugh everyday of my life
My heart can't possibly break
When it wasn't even whole to start with
Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I find it hard to trust not only me, but everyone around me
Because of you
I am afraid
I watched you die
I heard you cry every night in your sleep
I was so young
You should have known

*Better than to lean on me
You never thought of anyone else
You just saw your pain
And now I cry in the middle of the night
For the same damn thing
Because of you
I never stray too far from the sidewalk
Because of you
I learned to play on the safe side so I don't get hurt
Because of you
I try my hardest just to forget everything
Because of you
I don't know how to let anyone else in
Because of you
I'm ashamed of my life
Because it's empty
Because of you
I am afraid
Because of you
Because of you*

“ George....I never thought this would be the last time I saw you. Those days were like no years had passed. Driving with you in your car I had flashbacks of all of the times you let me drive your car so I would be confident enough to pass the drivers test. Then you came with me to take the test. (You didn't even flinch when I bumped the car in front of me.)
You were cherished. I thank God that I was gifted with you as my friend. So many great moments that I will hold forever in my heart. Until we meet again...
