“ I'm so Thankful that he made it to my Wedding, so that I can cherish those memories, that is only one of MANY memories I'll hold dear, but that tops the list. I will miss chatting with him and texting almost daily! My last text to him was that I loved him, only 7 hours before his accident! I'm so glad I had that chance, but he already knew that being as we've been friends since 1993. I've known him almost my whole adult life and he will be greatly missed, by me and so many others that were impacted by his perpetual positivity. It doesn't even seem fitting to say Rest In Peace, because he was more at peace when he wasn't resting, so, Golf in peace, and may every hand be a Royal flush! 🏌️🍷🕊️❤️
