“ I remember so many special things he did for me, like him finding and painting my first car - a 1963 Valiant. He painted it green with gold, glittered bumpers, as I requested. He also helped me get a position at Andrews Federal Credit way back in 1977. He was a special man and I loved him. Roy also loved and respected him. He will definitely be missed by many. I know you are watching over us Pop.
