“ George was my co-worker in the criminal investigation section at the Forestville Barrack. I cannot recall a day that George ever had a bad day, always upbeat with that great chuckle. We shared many laughs along with the serious times. Not generally recognized about George was his mastery in investigating "white collar crime" along with his many other investigative talents. My sincere condolences to Ann and the family.
You are in our prayers.

“ George was such a kind, loving person. I cannot believe I will never see his smile again, or hear him laugh, or get another one his great hugs. I will pray for Ann and his children, and for all of us who knew him because we have lost a great friend. Rest in Peace my friend.

“ My heart goes out to Ann, Jim & Debra and all of the extended family at this difficult time. George was an amazing man, and I know that he will be missed by so many people. I'll always remember him as a warm, friendly and caring person who always had a big smile and a hug whenever we met. He did so much for his family, and was especially involved with his grandchildren. The next time I'm in Maryland I'll miss that smile and that hug. Know that the family will all be in my thoughts and prayers, and I hope that you will all find some comfort in all the wonderful memories you have of this great man.

“ I was working the Mobile Crime Lab when George was an investigator at the Forrestville Barrack. We worked a lot of cases together and we often found ourselves working the same late shift and would go out to eat together. I found him to be even tempered and fun guy to be with. I will miss George. I pray that his family will seek God's comfort in their time of grief.

“ George, as I knew him, was my Corporal in the Criminal Investigation Section at the Forestville Barrack. We spent many, many hours together being serious but also sharing huge laughs and friendship. While I hadn't seen George in many years, the fondest of memories often cross my mind. What a wonderful man he was and he will be truly missed. I can still hear that great laugh and see the big smile. Rest in Peace George and my most sincere condolences to his family..

“ George was a great man with a huge heart. He wore many hats throughout the last 14 years that I have known him. He was my background investigator, college professor, mentor, but most importantly, my friend. He will truly be missed by all that knew him.

“ George was a great mentor, friend, co-worker and would do anything in the world for anyone. He could always put a smile on your face. George you will always be remembered as a hardworking caring man. I will keep the family in my thoughts and prayers.

“ George will always be in our hearts. Few people in our lives touch are hearts as George did. George always had a big smile and such a wonderful sense of humor. He shared his years of knowledge and life experiences openly with us all. We are all better people because we were able to share time with him. He was so proud of his grand kids. I marveled at all of the wonderful pictures he had streaming across his computer of his family and all the places they visited. George you will be deeply missed by all of us. I am proud you were my friend and co-worker, Brian Daniels.
