He was a skillful hunter, enjoyed fishing in his stocked pond and 4 wheeling on the property where he built his family home. There was an almost constant rotation of friends and family over playing canasta in the sunroom, day or night. He enjoyed going to his grandkids' ball games and many family gatherings. “ As a young man growing up, I was fortunate to witness and remember what kind of a man George was. A loving caring Husband and Father who always wanted the absolute best for his entire family. So many wonderful examples cannot possibly be contained on this page. Just one small example of many of how important his Family was to him. Yesterday I heard how he told his beautiful wife Mary how much he loved her right to the very end.

I will say..... When I am finally called home by The Good Lord. If my life is judged by others the same way I see George, I will have succeeded in life! A wonderful example of humanity!

As Trish, I was the babysitter of 6 children for 50 cents an hour. How long ago?? George sold me my 1st horse & kept her on his property. He hunted with my high school boyfriend in 1963. His dog, “UMFREY” took a bite out of my shoulder & George worried so much. Lots of memories for me with the Wozniak family!! Many 🙏🙏 fir all his family.

“ I remember when I was very young and first married Uncle George reminded me of a big cuddly teddy bear and I'd always ask Aunt Mary " Let me take him home with me. " She'd smile and say "No". He was very warm hearted and giving and he will be missed.
