“ *My Dad James Underwood & Pipe were good friends maybe going back to the late 70"s. They were at times two peas in a pod. (an old saying) Meeting Pipe in those days was so cool. He would tell Me & my then boyfriend Steve (now husband) about his riding days. He always talked about the past and his life. I have always loved talking to him because he knew my love of motorcycles and big trucks. We found in him one genuine friend that would help a struggling young couple trying work on their on work trucks to be able to make a living for their young family. Pipe I will miss you dearly and I know you Dad are giving each other a big hug and telling each other how much they missed each other. You keep smoking that cigar and watch us all from heaven above. Rest in Peace our friend you will truly be missed.*

“ In 1969, May 1st, My sister Linda and I came from Hawaii to Maryland to be with our Dad (JC Richards) after getting off the airplane the first person we met was Pipe. From that day forward Linda and Pipe where best of friends ! Pipe to me seemed to always be around, hard to believe he is gone. Hope Pipe and Linda (along with many more) met in heaven for they will party like no other. RIP PIPE.

“ I was shocked to read of Gerald's passing. We were i guess what you call playmates, classmates and passing friends. I lived on Strauss Ave. too. I ran with a different group of kids so we spoke but did not "hang out". I admired Gerald because back then he was teased and what we call now bullied and he always took it in stride. Every once in a while i think of all the people i knew in IH and i think about how Gerald was good to everyone no matter what they said or did to him.

Rest in Peace with God Gerry
