“ My mom, whom Jerry called 'Dobbin', was very fond of Jerry. He was always available to give her a helping hand when she needed work done on one of the old tractors. She was thankful for his help and say, 'I knew ol' Jerry Scott could fix it!' The family of 'Dobbin' also was fond of Jerry as a friend, whom we've known for many years. We will never forget him, and may Jerry 'rest in peace'.

Peggy, there are no words to express how sorry I am for you loss. I remember how much he loved his family and would bring Scottie to the camp ground when we were at Goose Bay. He would stay until it was time to bring him home. Also at Christmas when he would bring the boys their little stuffed animals every year -- O how they loved them. These are just a few of the little things I remember about him. As you go through the path of grieving I pray God will give you the strength make it easier. God bless you and your entire family and I am praying for you
