“ Jerry was one of our Wednesday Karaoke Regulars and everyone enjoyed his kindness and his talent, as he performed great songs by George Strait, Elvis and many others. In the past few months Jerry and I sang To All the Girls We've Loved Before and of course, Jerry was Julio Iglesias while I got Willie's part! Jerry was just the Best and several people at karaoke this week expressed their condolences and said Jerry will be fondly remembered!

You went through alot and came out of it .But this time God needed a friend like you. So take those Silver Wings and Fly CB. We'll always love you.
