“ *Jeri was one of the best human beings I have ever known. She taught me everything that I know about German Shepherds. She gave me my Sampson and my Wanbli which were two of the best things that ever happened in my life. I live in Arizona and years ago Jeri asked that if my husband and I would go put flowers on her mother's grave. We were only too happy to do so. Jeri loved her family so much and she loved her German Shepherds so much. She will be miss by many. My love goes out to the family. God Bless you Jeri*
