“ *I'm remembering a time she and I were sitting in Tom's living room, watching TV and we were both humming. We did that alot: don't know why. She asked me what I was humming. I smiled and said I was just making it up. She said she liked it and to hum it again. I couldn't, as I had no idea what I'd done the first time! She was a delight for me. Kathy Kaminski*
