“ *I'll miss him. He did so much for the airport and I was hoping he would live to see the planned renovations completed. I enjoyed visiting with him at the airport Even though I'm now retired from CAP, and don't get there as much, I was still looking forward to hanging out with him at the airport when I can. Thank you Gill!*

“ *Marilyn I am so sorry to read about Gil this morning, I feel terrible that I can't be there today to honor him and help you and yours in some way. I now wish I had gone up in his plane years ago when I won a bid at that silent auction, lol, I was scared. Gosh he was just the best fella to be around always a smile and he could make you laugh at anything. I know he was one of the most special people God put on this earth and he's flying high up there watching over all of you. Love to all, your friend Eileen ❤️*
