“ My name is Brenda Kern, and I got to know Glenda while she was my mother's roommate at the Charles County Nursing and Rehabilitation Center for the last seven months of my mother's life.

I, along with many family members and friends, spent a lot of time conversing with Glenda and getting to know her, and we enjoyed her positive outlook and fun spirit. She was always a wealth of information for us about La Plata and Charles County!

She loved music, especially singing along with hymns. Her faith never wavered, even in challenging times, and she joined right in with family prayer around Mom's bed.

I will hold many fond memories in my heart of our Glenda.

My condolences to Gwynette and the rest of Glenda's family.

May our Lord Jesus be with you, as you pass through those Golden Gates. When no one could find something at work (Charles County Dept Social Services) all we had to do is, Ask Glenda, and she would bring it to us, almost before we got back to our desks. You went out of your way, for each one of us. Glenda, and you won't be forgotten. Rest in Peace, dear Glenda, One day we will meet again. Many hugs, and a big thank you. Hugs, Patricia Delgado
