“ Dina, I just learned about Glenn's death. I am your neighbor that leaves caddy corner from you, Karen Gay. You know that my husband, Steve, passed six years ago, so I know what you are going through. My prayers are with you at this difficult time.

“ I work with Glenn at Station 9 for many years in the ACFD. He was truly a great man. He took the time to teach the younger recruits anything they wanted to know. He never had a bad thing to say about anyone. He led by example. He loved his job and loved his family even more. He was truly a Gentle Giant. There are way too few people on this earth who are like him. We are all better people because he touched our lives and made us better people by his example. I had a chance meeting with him and his son at the Barrett Jackson auction a few years ago. We caught up and rehashed stories of working together. I am truly grateful for that time. Rest in peace Glenn.
